

MEET PENNY PIG!

Penny had a dream so bright,
A sparkly pink tutu, twirl just right.
But when she checked her savings jar...
She wasn't quite there. Not so far!

So she saved her coins, one by one,
Skipped a treat, chose saving over fun.
Clink, clank, her balance grew —
Until one day her dream came true!

Now Penny twirls with pride to show,
Little savings help dreams grow
